To the President / Secretary General / Chairman

Date: 29 October 2020
Subject: EAU Crystal Matula Award 2021

Dear Colleagues, dear Friends,

I herewith kindly invite you to send us your proposal for candidates for the EAU Crystal Matula Award 2021.

The EAU Crystal Matula Award is the most prestigious prize given to a promising European urologist aged 40 or under, who has the potential of becoming – or is already considered to be – one of the future leaders in academic European urology.

Candidates for this award should be endorsed by their respective national urological associations.

Hence, the proposal should be done through the national urological society by supplying the following documents:

- Letter of endorsement
- Motivation letter
- Curriculum Vitae
- List of publications in the below sequence:
 - Peer reviewed papers (including the impact factors of the journals)
 - Original articles
 - Reviews
 - Case reports
 - Book Chapters or editorial books
- Overview of grants received from (inter)national institutions or from the industry
- List of received Awards

Please note that individuals can apply as well but they also need to be endorsed by their respective national society. The EAU Executive will then do the final selection and announce the EAU Crystal Matula Award 2021 recipient at the upcoming Annual EAU Congress, which will be held in Milan from 9-12 July 2021.

EAU21 | MILAN, ITALY
9-13 July 2021
Cutting-edge Science at Europe's largest Urology Congress
